Sense of Place *Wee Ones*

Sense of Place Wee Ones Exploration Storage

2185-U2500

90 x 38 x 60 cm

The Exploration Storage is an exciting and multifunctional piece to add to the classroom or home. It's a functional storage shelf and an interactive piece with intentional cut outs for children to explore and see what's inside. The top of the shelf unit has a raised border which allows for set ups of additional play areas such as small world provocations. Featured are two deep shelves divided into compartments which allow room for storing learning materials, books, and toys in the classroom.

Sense of Place Wee Ones Angled Storage

2185-U2501

90 x 38 x 60 cm

The Angled Storage unit is an exciting and multifunctional piece to add to the classroom or home. It's a functional storage shelf and an interactive piece with intentional cut outs for children to explore and see what's inside. The top of the unit is angled which children can roll items such as balls down from the top of the shelf and into the hole at the end that leads to the inset ramp below. Also featured are two deep shelves which allow room for storing learning materials, books, and toys in the classroom.

Sense of Place Wee Ones Stove & Cupboard

2185-U2508

90 x 40 x 80 cm

The Sense of Place Wee Ones Stove and Cupboard combines many elements for children to explore. This lovely unit will inspire endless hours of pretend play. Designed with authentic play and versatility in mind, the shelves inside the cupboard provide ample interior storage while the burner hobs, and stove knobs add a fun dramatic play element.

Children will have fun exploring the inset ramp below the stovetop as they place items such as balls through the hole and watch as they roll down the inset ramp. The Stove & Cupboard also features intentional cut outs for children to explore and see what's inside. It is designed to be used back-to-back with the Sink and Fridge.

Sense of Place Wee Ones Sink and Fridge

2185-U2507

90 x 40 x 80 cm

The Sense of Place Wee Ones Sink and Fridge combines many elements for children to explore. This lovely unit will inspire endless hours of pretend play. Designed with authentic play and versatility in mind, the shelves inside the fridge and below the sink provide ample interior storage while the goose neck tap, and kitchen sink adds a fun dramatic play element.

Children will have fun exploring the inset ramp inside the fridge as they place items such as balls through the hole and watch as they roll down into the sink. The Sink and Fridge features intentional cut outs for children to explore and see what's inside. It is also designed to be used back-to-back with the Stove and Cupboard.

Sense of Place Wee Ones Hide-Away Cove

2185-U2505

100 x 45 x 80 cm

The Hide-Away Cove is an exciting piece for children to explore. The cove is multifunctional and has endless uses, young children will love to crawl and navigate through the tunnel, or they can use it as a cosy retreat. The side of the unit features a long mirror to assist children with their development of personal awareness and encourages sense of self. In front of the mirror is an interactive and engaging pull up bar which supports physical development.

Sense of Place Wee Ones Honeycomb Tunnel

2185-U2506

60 x 38 x 60 cm

The Honeycomb Tunnel is an exciting piece for children to discover, inspiring endless hours of exploratory play. Young children will love to crawl and navigate through the tunnel, or they can use it as a cosy retreat away from the bustle of the classroom.

The tunnel is constructed from a durable combination of FSC-sourced materials, white laminated plywood and solid birch. The tunnel inside is comfortably padded with vinyl-covered cushion which is hard-wearing and scratch resistant. This robust unit is perfect for classroom use and will be loved by all.

**Sense of Place Wee Ones
45 & 60 cm Corner Shelf**

60cm	2185-U2503	38 x 38 x 60 cm
45cm	2185-U2504	38 x 38 x 45 cm

This beautiful Corner Shelf is a multifunctional piece featuring soft edges and curves which will look lovely in the classroom or home. The top of the shelf unit has a raised border which allows for set ups of additional play areas such as small world provocations. Featured are two deep shelves which allow room for storing learning materials, books and toys in the classroom.

The Wee Ones range has been carefully designed by childcare professionals to support children’s development and growth. It has been designed specifically for toddlers using 360-degree Play Design to encourage meaningful interaction with the furniture from all sides. The Corner Shelf can be easily connected to the other pieces in the Wee Ones range to create a flexible, modular furniture system. It has been constructed from a durable combination of FSC-sourced materials, white laminated plywood, and solid birch.
